

## **WHAT HAS CBH/SAA DONE FOR ME?**

### A LEGISLATIVE TEAM PERSPECTIVE

CBHSAA was formed in 1943 from attending a Fish and Game Commission meeting.

Many times fellow archers will ask, "Why should I join CBH/SAA, What have they done for me? What they fail to realize is a good majority of the current archery hunting opportunities that are here today are because of the ground work that CBH/SAA has done over many years. These are just some of the Legislative Team actions and achievements in CBH/SAA. We are just one part of the total program within the organization. There are a myriad of other functions for the promotion, education and advancement of archery and bowhunting in California performed by CBH/SAA. A question for every archer and bowhunter in California is not "what has CBH/SAA done for me?", but "how can I best support the organization that supports and represents me and is my voice in the promotion of my sport?"
