Legislative Defense Incentive Program

By Robert Moore Legislative Coordinator

I have mentioned in several of the last CBHSAA newsletters the implementation of a new program to reward those individuals and organizations who have made contributions to the Legislative Defense Fund outside of the "Hit Tags" and "Donor Pins". A power point presentation at the 2014 annual meeting in Sacramento included hats, beanies, t-shirts, sweatshirts, vests and jackets that would have the CBHSAA logo either screen printed or embroidered depending on the amount of the

donation. Beanies of fleece construction would only be embroidered. A second option related to the embroidered CBHSAA logo would be the embroidered text of California Bowmen Hunters and State Archery Association mainly for the hats and beanies. All apparel will be Black with Gold Logo.

Individuals and Organizations can elect to take the CBHSAA Logo Wear in appreciation of their donation fully, partially or not at all. Your total donation can be split into smaller amounts to take advantage of several items such as a hat and t-shirt.

Organizations can opt to get several items that can be added to your raffles or ?. I will contact eligible donors to discuss your options and take orders if you choose to place one.
