

# California Archery Foundation Criteria for Youth Camp Scholarship

Any California resident, who is a full time student between the ages of 10 & 17, with a minimum grade point average of C+ is eligible.

An electronic printout of the student's most recent report card must accompany the application.

A CBH/SAA member in good standing must sponsor each student who applies. The CBH/SAA sponsor is expected to follow up and help the youth to continue in organized archery.

Applications may be submitted at any time during the year, but must allow at least 4 weeks for processing and decision by the Archery Foundation Committee.

If you are selected to receive a scholarship, you will be notified by email.

Any student awarded a scholarship for camp, will not be eligible for a second one.

The scholarship would be paid to the camp. If the student is not able to attend the camp, the funds should be returned to the Archery Foundation.

Once the camp concludes, a certificate from the camp of completion or similar proof of attendance is requested.
