

## *Myra Dudley - 2020 Inductee into the CBH/SAA Hall of Fame*

Myra began her archery life in 1977 when she thought she was just looking out for her son and getting him a bow. Little did she know that this thought turned into a lifetime of love.

Myra started shooting a bow with a sight and release. After 3 years of shooting this style, she realized she wanted to join a club. The club in her area was Redwood Bowmen. They were a non sight club at the time. She gave up the sight and became a "Bowhunter".

It wasn't long until she became very active in the club and then region (NCFAA). She held the following offices;

Redwood Bowmen Board Member  
Assistant Range House Manager  
NCFAA Section Treasurer  
NCFAA Section Vice President  
Redwood Bowmen President for 7 years  
NCFAA Section President

She was in charge of the Twilight Shoot, an outdoor league for quite a few years.

Myra has a passion for children getting involved in archery. She started a program for the Boy Scouts, Girl Scouts and various church groups for the kids.

In the 1990's, Myra assisted The Bowrack, local bow shop, in teaching the JOAD Program. Within a couple years, she ran the program. This program still operates today.

Myra is also an accomplished archer. Here are some of her accomplishments;

CBH/SAA State Field Champion Barebow in 1987 and 1988  
CBH/SAA State Marked 3d Champion in 1990  
NFAA at the World Championships, 3<sup>rd</sup> in 1990

CBH/SAA State Indoor Champion in 2006 and 2007  
Fresno & Nevada County, 1<sup>st</sup> place champion  
Pacific Coast Champion in 2006

The last one to receive and keep the Fresno Perpetual Trophy for Barebow. Many other wins in various local tournaments. Many relationships won over the years with archery too.

Congratulations!
